Must be Post Marked by August 20, 2011 for Fall 2011 Season. Awards will be announced by August 31' 2011. Please read the instruction thoroughly.

Fusion FC offers on a limited basis financial assistance to those club members who may need assistance in paying Fusion FC dues. Fusion FC dues are important to the club in that they are essential in order to pay coaches salaries and run the club programs. Without adequate revenue from club dues it is difficult to pay for field rentals, coach's salaries, skills and conditioning training sessions, and other essential club activities. Scholarships may be provided to cover up to 80% of a child's Fusion FC dues on a seasonal basis only, and DO NOT cover any of the team expenses such as uniform expenses, TSSA registration fees, tournament fees and expenses, referee expenses, or any other expense incurred by the child's individual team. Scholarships will be granted on an as needed basis and the club may be limited as to how many scholarships can be granted on any individual team or club wide. Families or individuals receiving scholarships WILL BE REQUIRED to help out with various club duties.

In order to be considered, this application must include a copy of the responsible party's W-2's from the previous tax year. Documents must be mailed to the club address listed above. Incomplete applications, or failure to return the required documentation by the due date, will not be considered for an award.

All team and individual Fusion FC dues will be expected to be paid on time unless we have received and approved a scholarship application.
